

Work for Ms McCreesh's 6th class week beginning 27th April

Online learning:

RTE home learning hub (link on google classroom) Live at 11am daily

P.E. with Joe, live on youtube at 9am daily or watch back later in the day.

Tasks to complete on irishhomework.ie

CULA4- Daily irish lesson at 10am <https://www.cula4.com/en/shows/cula4-ar-scoil/>

Youtube links listed in the different subjects below

Khan Academy- this week's topic is 3D shapes

Kahoot! Remember to complete last week's kahoot quizzes posted on google classroom. End of topic kahoots will be posted later in the week.

English:

We are starting our new novel this week called 'Goodnight Mister Tom'. It is based during the second world war which we will be studying in May.

Click on the link to read it. This week you are to read chapters 1 and 2. I will upload questions to google classroom based on it.

<http://www.e4thai.com/e4e/images/pdf2/Top100novels/GoodnightMisterTom.pdf>

> **By the North Star**: pg 194-99

Read the story before beginning the tasks.

Pg 98 > Complete purple and the first five orange questions.

Pg 99

> From the blue box, complete section 1a-L. Look up the meaning of all the words and choose 5 to put into interesting sentences.

> Pronouns- Read through the sentences in the red box and I will put up a kahoot later in the week relating to this.

If you have sufficient access to a laptop, please type your answers to this week's BTNS questions and send them to me on google classroom. If you can't do this then please upload photos of the work in your copy onto the task on google classroom.

> Daily reading- read for a minimum of 20-30 minutes per day if possible. Remember you can register on 'Getepic' using the link on Google classroom if you are looking for a new book to read.

> Photo of the week- I will continue to share the NY Times photo of the week each Monday for you to comment on with your thoughts about it.

Maths:

I will add tutorial videos and activities

> Topic- 3D shapes- Planet maths pages 154-157

Page 155- Read through the questions and I will put up a quiz relating to this on G.C. (google classroom)

Page 156- Choose 5 of the shapes to do for A and send me a photo of these on G.C.

Page 157 A- Complete in your copy C- Pick 4 of these shapes to draw the cross-sections of.

Problem solving- pg 117 A 2. School transport and 3. Time travelling

Continue with daily MM homework and do the Friday assessment after you have completed all four days and the problem solving questions.

Gaeilge:

Watch the daily Irish lesson on Cúla 4 AT 10AM: <https://www.cula4.com/en/shows/cula4-ar-scoil/>

Complete tasks on irishhomework.ie

Bun go Barr- In. 86-87 'Ticéad ar an talamh':

Léigh an sceal agus scríobh síos na focail nua

In. 88 B- Freagair na ceisteanna 6-10

Complete activities for D,E,H and I

I will upload the answers to these on Friday.

Duolingo- If you have access to duolingo, please aim to do 15 minutes Irish on this per day.

Art- Link with maths

Using paper or light cardboard (e.g. old cereal box), make a 3D structure using a variety of 3D shapes. It can be any structure you like, e.g. a bridge, a building, a person, a flower.

Here is a link to show you what the nets of the different shapes look like:

<https://www.math-salamanders.com/3d-geometric-shapes.html>

There is also an art lesson on RTE home hub on Thursday.

R.E.

At this time we are unsure when confirmation will be happening. However, it is important that we are prepared for it. Please click on the link and scroll down to read about 'The gifts of the holy spirit'.

<https://www.catholicireland.net/the-holy-spirit-2/>

After reading about them, write a sentence about each of them telling how you carry out or could carry these out in your life. You could write each of the gifts in nice lettering and make it into a poster if you would like. It can be typed as a google doc or send a photo of your hand written work if you can.

S.P.H.E.

Weaving well-being pages 11- 13, complete the tasks on these pages. Watch this short video relating to the topic of 'thinking traps':

<https://youtu.be/IDcSTuNgZX0>

S.E.S.E.

History

Unlocking SESE- Pg. 121- 123

Read all three pages and discuss the 'think about it' questions with a friend or member of your family.

I will be putting up a kahoot on this topic at the end of the week.

Here is a 20 minute video on some of the events of the war. It is quite old but it has interviews with people and footage from the time. <https://youtu.be/nGutJDCfqjg>

Michael Collins and Eamon De Valera:

Find out three interesting facts about each of these men and I will compile them to make a class fact file on both of them.

Geography

Nature compilation- Take photos of the different flowers, trees, plants, insects or wildlife you can see at home in your garden or on your daily walk and send me your favourite or most unusual ones. I will compile them into a slideshow and post them on the class blog.

Science

Solar oven- Read the instructions on how to make a solar oven in the link below. Please take photos of the different stages of you making yours and what you attempt to then bake in it.

<https://www.rte.ie/learn/2020/0422/1134084-5th-and-6th-class-science-solar-oven/>

Music

Watch RTE home hub on Wednesday at 11am for their music lesson.

P.E.

Try to exercise for a minimum of half an hour to one hour each day. A great way to start your day is P.E. with Joe on youtube live every morning at 9am or you can watch it back at a later time or gonoodle videos of your choice. Keep moving and have fun!
